I have for sale a men's leather biker waistcoat for sale. Size is xxl and has lace up sides, the jacket is in very good condition and has hardly been worn. There are a few stitch on labels but they can be removed if need be also has a few badges, but the unique feature is the one of hand painted design on the back of the jacket depicting the flaming skull of ghost rider which has been lacquered over and fully waterproof. I'm asking £65 for this jacket which is non negotiable because of its uniqueness Please contact me on 07986815580 thank you. ;
