A brilliant example of a Suzuki V-Strom 650 that has only covered 4751 miles from new by its two former keepers. The bike comes with a part service history with the last being on 01/10/15 at 4068 miles. The paintwork is in great condition and has been fully polished by our on-site valet. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know. The handling is good enough for fast, twisty roads; protection is ample for motorways and the riding position is perfect for urban commutes. A Top Box is fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. The bike is also fitted with heated grips and hand guards which are a blessing on those cold days. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
