Kazuma falcon 110cc semi auto 3 speed with reverse 4 stroke
In red slight crack in rear plastic not serious.
Starts and runs needs fresh fuel
This has a big frame not like the little 110s
All brakes and gears work.
Does have a light for front that works, needs bulb in rear
Electric start, high and low beam.
Wiring is all intact unlike most molested quads
Has been standing for over a year but turns over and fires no prob.
Nice and quiet whilst running
Does have ignition but lost the key in shed.
Thumb throttle so can be restricted from 5 - 40mph Needs two front tyres
A bit of the material is missing on seat
Frame could do with be finished painted Have been as honest as I poss can. Any questions feel free to contact me Sensible offers welcome Pick up
