Kazuma falcon 110cc semi auto 3 speed with reverse 4 stroke
In red slight crack in rear plastic not serious.

Starts and runs needs fresh fuel

This has a big frame not like the little 110s

All brakes and gears work.

Does have a light for front that works, needs bulb in rear

Electric start, high and low beam.

Wiring is all intact unlike most molested quads

Has been standing for over a year but turns over and fires no prob.

Nice and quiet whilst running

Does have ignition but lost the key in shed.

Thumb throttle so can be restricted from 5 - 40mph Needs two front tyres

A bit of the material is missing on seat

Frame could do with be finished painted Have been as honest as I poss can. Any questions feel free to contact me Sensible offers welcome Pick up
