Selling my 2008 Gilera SC 125 (2 Stroke). It has a Yamaha DT engine that has never given me any problems. The bike has a Giannelli Race Exhaust installed, new rear indicators, new left mirror, new rear break disc and break pads.

Selling the bike as I have a new job and it requires me to travel further from home and I do not want to put many miles on this amazing bike.

Last service on the bike was in September, MOT is due at the end of April. I have all the certificates to go with the bike. I have looked after the bike since owning it and is covered up over night.

If you would like to view the bike feel free to text me or Email. CASH ONLY
