Hi There,

I am a Qualified accountant with 15 years experience of Accounting.

I have recently become a Certified QuickBooks ProAdvisor and I'm looking for some Startups or SMEs to work with using this product.

My plan is to develop an online Practice over the next few years.

As you will be my first few clients I will not be charging any massive fees, as I am getting used to the system myself. This makes it ideal for small businesses with not a lot of cash to spend.

Here are some of my areas of expertise:

Year End Accounts/Company Tax Returns

Monthly Management accounts (P&I and Balance Sheet)

Bookkeeping

VAT Returns

Sales Ledger/Purchase Ledger analysis and entry

Working capital analysis

Audit advise

Online training

Costs Business Advice

I have always been interested in small businesses and start ups. please email me if you are a small business is.

Thanks
