My name is Diana and I am The NATIONAL WINNER for Bridal Makeup. I am a professional makeup artist specialising in bridal, special occasions, professional makeup application and editorials. As I am also a professionally trained photographer I am very aware of how to apply makeup so that it looks fantastic in photographs as well as real-life. I was practically born with a paintbrush in my hand! I grew up painting canvases every single day but eventually a love of fashion took over and for the past 3 years my medium has been makeup and the face – my canvas. I'm based in the heart of Morley, Leeds where my studio is located, and where I can often be found making up many beautiful brides and other members of bridal parties. I also serve London areas and surrounding counties as well as occasionally catching a flight to attend to clients requiring my services abroad. <http://dkmakeup.moonfruit/>
