Hello My name is Radu and I am the owner of R&R Landscape company. We are a small and family run company doing hard landscape and maintenance in South, West, Central London and the surrounding areas. If you are interested to have a landscaping company to carry out your request at a high standard and a quality finish but still keeping the prices affordable and competitive we will be more than happy to collaborate with you. If you have any questions or referrals please do not hesitate to contact me:
