 6.30pm - 7.30pm: Junior Contemporary class (10-14 years)  
 7.30pm - 8.30pm: Junior Tap, Jazz, & Modern Combo class  
 7.30pm - 8.30pm: Senior Contemporary class (14+) Back to back classes to work on your Dance technique whilst having fun and making friends! The perfect classes to keep fit and healthy in a positive environment. Contemporary dance stresses versatility and improvisation, unlike the strict, structured nature of ballet. Contemporary dancers focus on floor-work, using gravity to pull them down to the floor. Our Tap, Jazz, and Modern Classes combines three different styles of Dance so that our students can experience a variety of different styles when training. The class is split into 40 minute of Tap, in the last 20 minutes it will be Modern and Jazz. For the Childrens class they will make a fun Dance and the Adults will have a cool down.
