

GVS Windscreen Chip Repairs

Location **Wales, Gwent**
<https://www.freeadsz.co.uk/x-256376-z>

There isn't much you can do to avoid windscreen chips and cracks (although Keeping your distance from the vehicle in front will help), but if you do get a chip in Your windscreen, it is important that you do something about it as soon as possible. Fully Mobile Service that comes to your Chosen destination For example, if the damage is in one of the four areas shown on the Windscreen diagram above and can be contained within the diameter Shown in each area, the damage may be repairable. Your vehicle will Fail its MOT if the damage cannot or is not repaired. It may be possible to repair rather than replace your damaged windscreen A windscreen repair will save you the inconvenience of a replacement and will take around 30 minutes to complete. We offer great discounts to Fleet & Motor-trade Customers Call for more information or to arrange a
