Female gardener / handyperson. I am fully qualified and insured. I provide a polite, tidy and reliable service. I give free quotes and advice, and undertake all work. I am able to give professional planting and design advice.. I am based in Hackney/ Islington and cover all of North, East and Central London, as well as parts of Essex and Herts. I am available to visit in the evening and at weekends at no extra charge if it is more convenient for you. Some of the gardening services I provide: Turfing, planting, weeding and pruning. I also install decking, fencing, fit outdoor taps and erect sheds and other outbuildings. I can advise on, design and implement the installation of vegetable and salad patches, either raised or on the ground. My aim is to be environmentally friendly wherever possible, and to support the local habitat. Let me transform your outside space! I also design plant user friendly balconies and roof terraces.
