How to Learn Salsa At Home This DVD is created for people who like the idea of learning salsa at home, for the people out there who do not feel quite confident enough to venture into a full classroom full of strangers. Many people have approached us, asking us to put a simple DVD together so that can take it home, watch, practice, learn and thus improve their steps, in the privacy of their home. This DVD was recorded with you in mind! "How to Learn Salsa At Home" will take the pressure of you in more ways than one! If you follow the simple step by step process, as it is taught by the salsa instructor, you be dancing salsa in next to no time effortlessly. The best part of about learning salsa this way is that you can start, pause, keep the video on a particular step, repeat any number of times, until you get it, at your own pace! You can't do this at a class! This DVD does not promise the dancing skills of the stars of strictly, but what it does promise is that you will be able to walk into any salsa class ALREADY KNOWING the basic steps! This DVD has been produced with absolute beginners in mind. Watch and learn in the comfort of your own home. Practicing with this DVD will give you a more confidence more flexibility, more control of your partner, confidence in the basics upon which you can build. Mastering the basics is what makes great dancers. You can be just like that. Whatever your aims are, whether it is to be a social dancer or whether to go on to achieve greater heights, this DVD is a perfect start for your.
