2011 11 Transit T260 SWB 2.2 TDCi, ex owner driver hence very fresh indeed, factory white, standard van, very clean, smart & tidy throughout, ready to reliably serve in its next life. We've been selling vans here at Clarksons since 1978 (still a family business) and believe us when we say we know vans were very fussy in what we sell. This one will be sold with 1 yr mot and 6 month nationwide warranty Thanks for taking time to browse our adverts thanks Barry
