All the gear so you are ready to go comes with this 2014 registered 50cc moped. It has had one service, (book stamped), but due to Son passing his driving test a second service has not been carried out. My Son has had this moped from brand new and it currently has 2500 miles on the clock. No MOT is required as the bike is less than 3 years old. In addition to the bike you will get a full set of waterproof bike gear (top and bottoms), a pair of gloves, a helmet and a pair of Kevlar jeans (no picture as they are hiding in my Sons room somewhere and I am not going in!)
