My rare lilac girl & blue tan boy are unfortunately up for re homing. We are looking for a suitable home for both of them. Prada the lilac girl is coming up 9 months old, she is very small she is more of a spoiled pampered pooch! Prada needs to go to a home where there are no young children, I dont want her getting accidentally hurt, She loves to be carried pretty much every where, loves getting dressed up and just craves human attention. Would make an ideal companion for someone on their own or a couple. Louis is just over 9 months old and is slightly more robust hes again very friendly |& loves human attention. Again no young children . Both amazing gentle personalities The ONLY reason i am re homing them is because im always up the yard with my horses and these 2 are not the sort of dogs to be out all day, so there in doors all day on their own and its not fair on them. We wont re home them to just anyone so if you get easily offended by being asked a fair few questions then please dont bother inquiring. Prada is 500 pounds (originally cost me 900) & Louis is 400 pounds (originally cost me 750) Price is NON
