

Four Winds American Motorhome (40 GBP)

Location **Wales, Gwent**

We have an 8 berth Four Winds American Motorhome for sale. It has served our family well for many years but we have now outgrown it and it needs a new family to look after it and enjoy it. It has all mod cons (microwave, generator, fridge, freezer, air con, heating etc.) but is in need of refurbishment. It is 29 feet long and left hand drive. It has a petrol engine. The bed over the cab is larger than our King Size bed at home. The 'separate' bedroom at the rear has 2 single beds with a central wardrobe. There is a separate toilet with washbasin and also a separate shower. There is water damage to the rear bedroom as rain has been leaking in through the vents. We're looking for sensible offers.
