Collectable large dolls house/basement for sale. Bought from Barbara's Mouldings at NEC Miniatura show. It was purchased flat packed but is now 99% built, just needs windows, stairs etc., gluing in. Have left these for easy painting. It is an amazing house but unfortunately too big for me once built! Dimensions are: House overall size is 26" high, 30.1/2" wide, 18" deep. All rooms measure 8.1/8" high x 11" wide x 15.3/8" deep. Hall & landing is 5.3/4" wide with dog leg stairs. The basement overall size is 8.3/4" high x 30.1/2" wide x 26.1/4" deep. These two items purchased together cost in excess of £170 I have put this in a used category as it has been built, but it has never been 'used' Have included pictures of how finished house could.
