**HELP WANTED** Hi, my name is Clive and I live here in the village of Manea. I am a serious amateur photographer who is looking to improve my skills in the field of portrait photography. I am looking for a regular and reliable lady of 18 years or over to help in assisting me as a model for my pursuit into portrait photography. It is a skill that requires a patient and an understanding person. My profession is freelance videography and I often produce corporate style video productions and have worked alongside some of the largest shipping companies in the UK. I now wish to expand into the world of photography. Already having some knowledge in photography I would like to create stunning portraits and you may be that person to help me in that process. There will be no costs involved and unfortunately no payment can be made for your time. However, copies of all photos taken on the photo shoot will be yours to keep and distribute in any social media outlet including the ever popular Facebook etc, as you wish. You will be required to sign a release form consenting to the photo shoot and you must be over the age of 18, a mature lady may also enquire. If you're interested please contact me on the telephone numbers below and maybe we could meet in the Village and have a chat over coffee – the coffee's on me.
