

Host Families Urgently Required

Location **North, Merseyside**
<https://www.freeadsz.co.uk/x-259790-z>

We urgently require host families to offer their services and their spare rooms at the end of April. Ideally a family could host 1-2 Spanish students. We offer a competitive rate for hosting, and the family would be required to feed them for the duration of their stay. If you are interested please contact us and we can give you full details. Many thanks, Liverpool Language
