Educatius International is looking for volunteer families to host our Australian teenage students visiting the United Kingdom on a Cultural Exchange Programme from September 2016 and January 2017. You'll be able to introduce your Australian student to British life and culture whilst learning about their customs and way of life at the same time! Students should be treated like any other family member and Educatius International will enrol them at local secondary schools. The students will be aged between 15-17 and will be staying for varying lengths from 3 – 6 months. Educatius International will offer all the support and guidance that you need and will be on call 24/7 for any emergencies. Families are reimbursed on a monthly basis to cover expenses associated with hosting a young person in your home and families may host up to two students (in single rooms or sharing a larger room). To register your interest with us please contact: Jen Sherlock – Student Liaison Officer Tel: 07497 618437 Email: [email&#160]
