We have four KC registered fawn Pug puppies now remaining and ready to leave now. They will leave with their own puppy pack (including Royal Canin food, toys, blanket, puppy pads, and paperwork) their first vaccination, be microchipped, wormed-to-date, flea-treated, vet checked, have their own 5 generation pedigree certificate, their own individual diet & worming records and as much support as you require. We are dedicated hobby breeders and own both mum and dad, who can be seen at any time. Our puppies are raised within our home so are well-socialised and used to normal family,
