Up for sale is our fantastic A6 Avant with FULL service history, being main dealer history for most of its' life. It is in excellent condition for the year, and drives without fault. Don't let the mileage put you off as it covered mainly motorway miles with the previous owner, and drives like it's done half the amount. Being the 2.7 litre V6 engine there is no timing belt to be replaced, and it is powerful and bulletproof. The multritronic gearbox with flappy paddles goes through the 7 gears smoothly, and has had the all-important transmission fluid replaced recently. This car comes with 8 months MOT, two recent tyres, and has had no expense spared.
This car has been serviced by Audi at 19018, 39979, 59794, 80376, 100700, 119650 and 140602 miles. It has then been looked after by an independent garage, where the multitronic oil was replaced at 158335 miles, and the last service carried out at 176311 miles. Recent work includes replacement of the throttle flap controller and both front anti-roll bar links. There are a huge pile of receipts to back up the service history too. It comes with all the manuals and 2 sets of keys.
The care drives very smoothly, pulls hard and has no known issues. It is a pleasure to drive!
It has had just 3 previous owners who have all looked after the car very well.
The interior is in fantastic condition, with full black leather seats, dual climate control, 6 CD autochanger, automatic wipers and lights, electric windows and mirrors, sat nav and cruise control etc. Everything works as it should, and it's a very comfortable place to be sat.
The rare coloured paintwork is in excellent condition too, with only the odd minor chip you would expect from a car of this age. It has been well looked after and the bodywork really is superb for the year.
Overall this is a solid, reliable and luxurious family car in great condition, but sadly we now need 7 seats so it has to be sold.
Please contact me if you have any further questions or would like to arrange a viewing.
