FOSTER OR FOREVER HOME NEEDED CANDY is one of those dogs who deserves so much but has been constantly let down for various reasons. She is microchipped and neutered, and urgently needs a foster home that won't fail her. She has lived with dogs happily, both male and female, and needs children of 8+ in the home. She is a big soft cuddle bunny, she gives so much and asks very little in return. Candy really needs a bit of good luck to come her way, she is so overdue for that and we are desperate for her to find a family. Candy is currently in kennels in Luton. (Subject to adoption, homecheck and adoption).
