This immaculate Atlas Florida has just been taken in on part exchange. It has been loved and well looked after by the family who joined us 3 years ago and now only need 2 bedrooms. The living room has plenty of seating and hosts a pull out bed, meaning this holiday home comfortably sleeps 8 people. The separate dining area offers plenty of room for family dining, playing games and relaxing. The kitchen comes fully equipped with oven grill and hobs, and a fridge with freezer compartment too. The double bedroom has plenty of storage space and dressing table. One twin room holds bunkbeds cleverly designed to maximise storage space, and the second twin room can be made in to a double if required. The bathroom is spacious, light and airy.

This cosy 3 bed Atlas Florida is perfect for anyone looking to try holiday home ownership for the first time. We don't charge a winter storage fee, we also offer the option to sublet too.
