Very solid (originally pine) bench. In very good condition in terms of how sturdy it is but it will need a coat of paint this year. Has had two coats of paint/varnish over the past 6 year. It is a solid piece of furniture and it is fairly heavy. To collect you will need a large car or van (it did come flat packed so in theory it could be dismantled but don't know how easy this would be). Height : 110cm from floor to top of the back of the seat. Length: 200cm Width : 66cm ;
