I have a litter of gorgeous little Longcoat Chihuahua puppies who were born on Christmas day and will be ready to leave to the right home any time after 19 February. They are being lovingly home reared by a very caring and experienced breeder of nearly 40 years. They have an excellent pedigree, are KC registered, wormed, insured and vet checked. They will each take with them their own puppy pack of various food, instructions and strawberry igloo bed with their home smells of mum, dad etc. to help stop missing all their loving friends and family too much. I give a full back up of advice, care and a lifetime of support. I have mum, dad, grandma and many other members of their family, all of whom would love a cuddle from you. All enquiries.
