If you want to feel more positive about your life, this is a book for you. Visualizing and affirming go hand in hand. Visualization is the goal. Affirmation is the command to your sub-mind to make that goal happen. Stressed or calm. Tired or energized. Happy or miserable. It's always your choice. Train your mind to be more positive and you will live a more positive, happier life. This book will help you understand that happiness is something you can have whenever you want simply by changing your thoughts. This book is available on Amazon Kindle 99p (Free on Kindle Unlimited) Kobo 99p The book can be read on any device, smartphone, tablet, computer.
