Are you feeling anxious about your life?  
 Are you afraid to try in case you fail?  
 Are you making do with your life because you are afraid of change?  
 Are you feeling unhappy about your life?  
 Do you need inspiration?

With "Inspirational Quotes for Life" you receive a good quote to get each day for one year started in the best way possible. Read about what others think and do and then simply think about what they mean, and follow. It takes a little work, but it's worth it in the end.

The quotes recorded in this book, are not just quotes to be read and then forgotten, but quotes to study the meaning of, and then in most cases put into practice in your life. The more good things we fill our mind with, the better our lives become, that's a fact.

So read the quotes and then act upon them for one year and see your life improve. This book is available on Amazon Kindle 99p (Read for free with Kindle Unlimited) Kobo 99p Can be read on any device smartphone, tablet, computer etc.;
