Sorry that I have to sell this off as I am leaving UK. Bought this 7 months back from Carphone Warehouse on a vodafone plan. Then I unlocked the sim as well. This black colour mobile is in brand new condition with screen guards. Therefore, not a single scratch. Runs on Android 5.1 and will soon be 6.0 (well now as well you can load the Beta version). I want to sell it off at a very cheap price with the original case, charger and bill as proof as.
