

Fiat Stilo 2005 (800 GBP)

Location **East Midlands, Nottinghamshire**

this was bought believing it only needed a clutch and MOT and so thought it would be a good money maker as it tuned out, it also needed new replacement drop links, passenger side wishbone/bottom arm, 2 tyres, 2 front legs, exhaust middle section, amongst little things like bulbs needing replacing, so a fair bit more than i expected, i have had all this now replaced brand new clutch, brand new drop links, brand new wishbone, 2 part worn tyres, 2 second hand but still great condition legs, replacement middle section and all bulbs are fully working again and with full 12 month MOT so the cars good as new again i have also added universal mud flaps/sparco to the car and K&N cone style filter, inside is good condition with a cd player too, as expected with a car of this age it does have age related scuffs but dont let that put you off, this is still a tidy little car inside and out, , 1.4 16v if desired i will chuck a brand new unused nitro chip in with itl, this car is sorn so will need to be moved either by trailer or taxing first, viewers welcome;
