

2002 Peugeot 406 HDI 110bhp Estate (225 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-269132-z>

Up for sale is my 406 HDI estate which has been a reliable work horse. very long MOT left. cambelt and water pump changed at 130k along with the brake disks/pads and exhaust from the CAT back. i travel 60 miles a day getting 60mpg and with the model being 110bhp, the Tax is cheap. bodywork wise there is the usual supermarket scratches/dings but overall scrubs up well. the passenger side rear glass is cracked and will need replacing. the passenger front tyre needs air every few days. the previous owner started fitting the rear 7 seat conversion, only the belts need bolting (3 belts in total). vewing.
