This sofa has been the highlight of our living room and we have received many a compliment for it! but sadly, we are moving and it can't move with us due to lack of space.

A full leather, left arm facing sofa in great condition, it has cream seats, a dark brown base and metal feet. The contoured stitching on the seats that follows the curve of the sofa adds a nice piece of extra detail. It's really comfortable to sit on too.

The sofa separates into three separate sections for easy removal.

Approximate dimensions are 212cm X 234cm X 85cm high

For collection only but we can recommend someone who is reasonably priced to assist with removal if required. Our block also has a lift to make removal easier.

Comes from a pet, child and smoke free home and has no rips, tears or stains.

Please note: price does not include the blue cushions in the
