Having planned a round europe trip, this motorhome has undergone an extensive overhaul with no expense spared.

work undertaken includes; new gearbox (due to stiffening because of lack of use), new clutch, all belts replaced, new water pump, all filters, new mains battery and leisure battery, chassis wax oiled and all fluids changed.

The spec includes; swivel chairs, freeview tv with built in aerial, 3 way fridge, electric step, wind out awning, bike rack, bed over luton with memory foam mattress, shower, toilet, hob grill, gas fire, clean water tank, waste tank and lots of storage space. 4 new tyres. It is MOT'd until July 2016.

The vehicle is very low mileage and still smells like new. It is a pleasure to drive, everything is in working order and it is ready for touring.

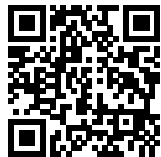

this vehicle is advertised elsewhere so we reserve the right to withdraw it.
