Beautiful white akita pup for sale. Due to a downsize in property I have to part with my 23 week old Akita pup. I no longer have a back garden and don't think it's right for him not to be able to run around outside in the garden. He's had all his injections upto date and I have a health card with all vaccinations from the vet, flead and wormed. Comes with brand new lead, collar and harness, also bowl, toys, food and treats. Lovely playful temperament, will be sorry to see him go.;
