

YOUNG ENDLER FEMALES FOR SALE (1 GBP)

Location

South East, West Sussex

I have Endler and Guppy mixed females available. They are around 3cm long and about 3 months old, so they will continue to grow and colour for a few more months. Their fathers can be seen in the first five pictures and their mothers can be seen in the last five pictures to give you an idea of genetics. You will be getting the offspring of these fish. Sorry, males have all been sold now. They are 1 pound each, payment on collection. ---Please let me know about how many females you would like, so I can reserve them for you!--- And don't forget to bring a container to carry them in, like a clean jar, or a plastic fish bag. You can choose the guppies you want yourself, but it's first come first serve, I'm afraid! Please email.
