1 Girl left. Stunning litter of long-coated Chihuahua puppies. Black and Tan and simply the beautiful. Mum is also a Black and Tan long coated Chihuahua with the most wonderful temperament. Dad is a tiny long-coated Chi who is very regal and knows how lovely he is. Puppies make adoring best friends, loyal and great companions for children. They have been parvo vaccinated and their worming and de-flea treatment is completely up to date. They love playing with their toys and love spending time in their Wendy House. Loving homes only.
