My house mate and I would like to rent long term a 2 bedroom house in the Uckfield area. It would be more than just a house, it would be a home. I am hoping having a house trained dog wont be a problem. I am in full time employment within Uckfield and my house mate is in part time work. I can provide references and answer any questions you may have. We can also move in straight away, that wont be an issue. We dont mind if the house is furnished or unfurnished. Please know your property will be in good hands. We can pay up to £900 a month for rent. If you think we are the ones for you, please dont be afraid to get in contact. Thanking you so much for taking a chance on us. :)
