Mamastiff King Kong is a 17 stones KC registered English Mastiff with excellent parents and grands. He was born on 05/01/2012, so he is 3,5 years old. He has had many amazing puppies around 7-13 per a litter, which is a really good, he is very fertile. We have officially tested his semen and he has 224 million sperms per ml, which is a great result. He has HD and ED (hips and elbow) tests with excellent results too. We want to find a good home for him, who is willing to update us about.
