

# IPHONE 4S UNLOCKED But can039t activate (50 GBP)

Location

<https://www.freeadsz.co.uk/x-269890-z>**South West, Isle Of Wight**

This perfect condition unlocked iPhone 4s I bought it online but when I try to run the first time setup it says I need to log in with old Icloud details but I can't as I don't have them and can't get them now. I don't know if it's worth anything still.;
