Come along and enjoy free access to The Collection and The Swiss Garden today for disabled persons (and their carers where applicable). We aim to have as much of our site accessible to all visitors and are working to improve areas where we could do better – feedback is welcome! Children under 16 have free entry (up to 4 per adult). Book non-disabled admission tickets, or for free admission please book online. Pre-booking is appreciated but not essential. Call Helen Woods (01767 627924) for booking or any further information.
