New shape 2014 1.6 (diesel) Transit Connect in frosted white.

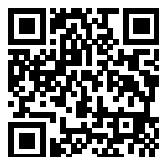

NO VAT - Stunning example with Twin side loaders, 5 seats (double cab), genuine Ford Titanium Alloys, bluetooth, usb & aux, ply-lining, adjustable rear bulkhead that slides back and forth to make full use of loading area, rear parking sensors..

10'500 genuine miles. I bought this van as a Cat D write off about 6 months ago and I've overseen all of the repairs myself - repairs included new wing, bumper, bonnet and headlight, everything has been repaired to an excellent standard and no expense has been spared. It was a light accident, pictures of pre repair can be seen if wanted.

Since getting it back on the road I have driven to France and back and used it for my daily commute and it's not missed a beat - drives great, very economical and it's obviously a great looking van. Feel free to get in touch with any questions -
