Autostratus EK features an end kitchen and offers a great flexible layout with a full dinette and long side bench - thus providing a great dining area as well as plenty of room to relax and lounge. This layout also accommodates two rear three point seat belts for passenger safety and comfort.

The motorhome has all mod cons on board and can easily sleep up to five people. Unusually for a camper of this age it even has a fully recessed awning together with gas and electric heating and hot.
