Carpet Cleaning Rip-off
 I was advised by Bernard's flat yesterday the first time your message was performed. I was happy and satisfied with the right. I would like never to have another a message like this, but I want to thank you for all your hard work!"

Mrs Tham
 This is just to say how absolutely delighted Bernard and I are with the carpet cleaning that you did for us on Thursday.

We are amazed how wonderful the carpets look. As good as new. They had 10 years of dirt accumulated

and we were not that hopeful that they would come very clean but you really did a fantastic job.

Even all the black draught marks came out. They are looking really great. All the products that you used were very effective and the treatment that you gave the carpets at the end really fluffed them up and made them very springy to walk on- just like when they were new!
In addition to all that you worked so hard without stopping and did such a careful and conscientious job, we were extremely impressed.

You also took great care of everything in the house when you were moving all your equipment and I don't know how you managed to be so neat and tidy when you had 5 floors of stairs to do.

I will be recommending you to everyone I know who might need their carpets cleaned. We would like to say a very big thank you to you and your brother."

Frances and Bernard,
Primrose Hill "I would like to say that I have had all my carpets cleaned by Mr Thomas. I was impressed by his leaflet and the phone-in information and took the risk to book him without knowing anything more about him.

I am thrilled: my old and dirty carpets look virtually new despite an enormous amount of staining, and I can hardly believe they are the same. The colour has changed, they are two tones lighter. The transformation is particularly amazing in the carpets with the longer pile.

Mr Thomas is a considerate and conscientious man who will take care of your home while he is working. He is not a clock- watcher and will work till he has reached the standard he is aiming for. His prices are reasonable and you will get value for money.

Go ahead, you will not regret it! I am happy for him to give you my email address if you would like to contact me"

Mrs Sonia Sampson,
St.Johns Wood "Dear Peter Thomas

The stairs, hall and dining room carpets cleaned up really well, thank you for a job well done.

I wanted the bedroom carpet renewed as it is about 25 years old, but my wife wanted it cleaned. I am glad she won the day as the carpet is now almost as good as new, at much less cost.

I would be pleased to recommened your work to anyone".

John Mc McCormick
Palmers Green. "Dear Peter and Micheal

Many thanks for cleaning my carpets on Tuesday. It was a pleasure having you work here and Martin and I are very pleased with the cleaning results.

Kind regards
