BMW Z4 2.5i Sport MOT end of April but can put a new one on as it wants for nothing. Climate Control, CD Player, Electric Windows, Electric Mirrors, Heated Leather Seats, PAS, Remote Central Locking, etc etc. Drives perfectly and everything works beautifully apart from the electric hood sometimes only pops up the first bit and needs to be operated manually. Sometimes goes up and down fine. Beloved to be due to a lazy front motor (£75 on eBay, DIY job). Z4s are rebound for this and to be honest it's not an issue to drop or lift the roof by hand. Tonnes of power, very quick car. High miles but big smiles at just £2995! Inspection and test drive most welcome. Please call or text 07734330989 to arrange;
