At United Payroll we are focused on providing accounting and payroll services to Sole Traders, Limited Companies, Contractors & Sub Contractors, Small Business and Individual Tax Payers with the highest levels of customer satisfaction – we will do everything we can to meet your requirements and ensure the highest level of service managing your affairs. With a variety of options to choose from to maximise your earning potential and off set the responsibility of managing your accounts or individual tax affairs whilst adhering to HMRC legislation, we're sure you'll be happy working with United Payroll. Are you employed under PAYE? Do you purchase your own tools and safety equipment? Do you use your own vehicle to travel to different sites? Maybe we can help... Tradesmen, care support workers and cleaners often use their own vehicle to travel to different work sites and client premises. You could be eligible to claim a tax rebate on the cost you have to pay in making those journeys. Tradesmen have to purchase their own tools and safety equipment in order to do their job. Most employers do not reimburse this cost. You may be eligible to a tax rebate if this applies to you. We specialise in claiming tax back for you making the process easy and hassle free. There is no risk in making a claim as our policy is No Rebate – No Fee United Payroll can complete your CIS Self Assessment on your behalf, our service includes:

- employment income, benefits and expenses
- Self-employed income
- Complete your tax return and all necessary schedules
- Calculate your tax position
- Send you a full copy for approval
- File your return online to HMRC
- Deal with HMRC on your behalf
- Have a dedicated account manager available for all tax-related queries and questions

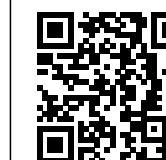

What's more, as a CIS subcontractor, you're probably entitled to hundreds, if not thousands, of pounds of tax back. If they review your self-assessment and this turns out to be the case, HMRC will then pay it directly back to you. :
