

Custom Shaped Die Cut Folders Printing

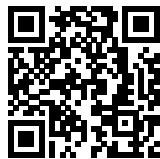

Location

South West, Hampshire

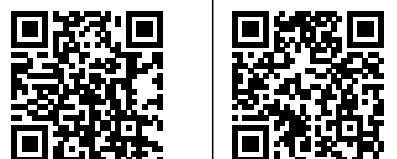

<https://www.freeadsz.co.uk/x-270443-z>

At Better Printing, we offer Custom Shaped Die Cut Folders with traditional A4 and A5 business folder sizes. We have a different range of finishes including lamination, embossing, and gold or silver foiling. Our bespoke pocket folders will definitely stand head and shoulders above the competition. All our printed bespoke die-cut folders are print using our Litho print press on premium 350gsm silk. Your folders will be delivered to you flat, die cut and creased to final size. You can contact us any time for more information about our!
