Model PS 50C450. In fantastic condition. There are no marks on the TV casing or on the screen - the picture is perfect with no flaws as it was the day I bought it. There is also 1 months manufacturers warranty remaining for added piece of mind as the TV is just 11 months old. Built in HD freeview. There are 3 HDMI ports and a USB port for playing music and videos etc. It comes boxed with all original accessories including the stand, power cable, the warranty card and instructions. I will also include a wall mounting bracket and a quality HDMI cable as well. I would prefer collection in person but I can arrange insured next day delivery at no extra cost if requested. If you have any questions then please do not hesitate to send me a message. \*Please also see my other TV for sale - LG 42" Full HD LCD TV\* ;
