Model 42LD550. In excellent condition with no blemishes or marks on the TV's housing or on the screen (no dead pixels). It comes boxed, including all original packaging, remote control and manuals. It is 11 months old and has 1 months full LG manufacturers warranty remaining. Fantastic picture quality, great for movies, sports and gaming. It has 3 HDMI ports and an Ethernet connection. I will include a high quality HDMI cable and a wall mounting bracket as well. I would prefer collection in person but I can arrange insured next day delivery at no extra cost if requested. If you have any questions then please do not hesitate to send me a message. \*Please also see my other TV for sale - Samsung 50" HD Plasma\*
