

2006 5 DOOR AUDI A3 TDI BLACK IN GREAT CONDITION (2,850 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-270731-z>

56 Reg Audi A3 2.0 Tdi 5 door:

I took this car in part exchange and overall its a very nice car, everything works as it should i have personally driven it about 600 miles and it starts,runs,drives and stops as it should.

It has a great service history including previous mot's and receipts.

Service booklet showed last service at 115k with a cambelt change as well

Current mileage is 142,619 but may go up as i use the car every now and then.

the car was serviced privately before i got the car and has also had 4 new tyres that are only a few months old.

The car is in very good condition inside and out with very few minor marks as to be expected.

5 speed manual gearbox which changes gear nicely with no whines or crunches

averages around 45-50mpg

Only 1 previous owner from new.

Mot expires 14/09/2016

Any questions please dont hesitate to get in touch my number is
