156,000 miles MOT 04/11/2016 6 speed gearbox Blue 2 previous owners Sports seats Recently had a lot of work carried out including; the dreaded wiring harness within the cylinder head, this was replaced with a genuine VW item. New front springs, new steering rack and power steering pump fitted. Serpentine auxiliary belt has also been changed. Recent service including; air, oil and fuel filter and the correct oil The car drives as it should, very reliable and extremely economical Bodywork is good for its age but has a couple of age related marks and a couple of minor rust spots The interior is also very good, clean tidy and original 4 good tyres Split and fold rear seats Any questions please contact Kris on
